Siri Ness

Siri Ness is a Jungian analyst in private practice in Oslo, Norway. Prior to her training at the C.G.Jung Institute in Zürich, she worked for twenty years as a freelance translator of fiction, as well as a reader of fiction, for various publishing firms and for the Norwegian radio.

Her great love of storytelling, fairy-tales and mythology developed through the years into a keen interest in the various ways that patterns of myths and fairy tales live on in the stories and experiences of modern people.

Dariane Pictet

Dariane received her degree in comparative religion from Columbia University. She also attended drama school and published two anthologies of poetry. She completed the Body Soul Leadership Training from the Marion Woodman Foundation which brings together myth, movement, and painting. She is a visiting lecturer at Regent's College SPC, an executive officer of AGAP and a trustee of the Guild of Analytical Psychology and Spirituality. She is currently researching women's mid-life transitions from a Jungian perspective and has a private practice in London, U.K.

Christa Robinson

A psychology degree, rooted in trainings in agriculture and fine arts, and the Jung-Institut allowed me to start my independent professional work in 1972. I remember gratefully my teachers: Dora Kalff (sandplay), H.K. Fierz (the craft and tools), Toni Frey (teamwork), James Hillman (dreams), M.L.v. Franz, M. Jacoby, (supervision). etc. 15 years of clinical work at the Jungian clinic in Zürich. Co-founder of the professional association for supervision (BSO), training supervisor and work in many different social fields, universities and 7 years in a male prison. Didactic analyst ad personam at the Jung Institut, Küsnacht. 35 years at Eranos, 7 years as its president. Keen to learn more.

Yuriko Sato

Yuriko Sato is a qualified doctor, psychiatrist and Jungian analyst. She has over 10 years of psychiatric experience in Japan, and is a graduate of the C.G. Jung Institute Zürich. She is an ISAP participating analyst living in Zürich.

Kristina Schellinski was born in Freiburg, Germany, in 1956. She received her Master of Arts (M.A.) in Political Science and Literature and worked as a journalist for radio and print media. From 1983-98 she worked for the United Nations Children's Fund (UNICEF) in New York and Geneva from 1983-98, assisting children in especially difficult circumstances and she also developed the European Strategy for Children's Rights. She received her Diploma as Jungian Psychoanalyst and Psychotherapist from the C.G. Jung Institute in Zürich in 2002. Ms. Schellinski practices as a Jungian Analyst in Geneva, Switzerland and is a mother of two young boys. She is a member of IAAP, AGAP and ASP, as well as a founding member of the Rencontres Jungiennes at Lavigny, Switzerland.

Murray Stein

Murray Stein is a training analyst at ISAPZ. He is the author of Jung's Treatment of Christianity, In MidLife, Jung's Map of the Soul, The Principle of Individuation. He edited Jungian Analysis. His special interests are analysis and spirituality, methods of Jungian psychoanalytic treatment, and the individuation process.

Nicole Thommen

Abschluss in Betriebswirtschaft an der Uni St. Gallen. Danach während sieben Jahre im Management tätig. Anschliessend Ausbildung am C.G.Jung-Institut. Weiterbildung in Psychosomatik, Herzmeditation, Yoga, Energiearbeit (Chakren) und den entsprechenden philosophischen Schulen. Weiterentwicklung meiner kreativen Seite: Klavier, Gesang, Theater, Tanz, Malen. Seit 1996 arbeite ich als Coach, Psychologin und Dozentin mit Schwer Punkt: Change & Chaos Management, Führen mit Herz Management in Krisenzeiten, Persönlichkeitsentwicklung.

Nicole Thommen

Following my MBA at the University St. Gallen, I worked for seven years in the management of american companies. I then studied at the C.G. Jung Institute from which I graduated in 2002. Over this period I studied psychosomatology, meditation of the heart, yoga, energetical work (chakras) and the corresponding philosophical schools. I continuously developed my creative side (piano, singing, theatre, dance, painting). Since 1996 I have been working as a coach, psychologist and trainer, with special focus on change & chaos management, the heart, management in times of crisis.

Ursula Ulmer, M.A.

Born 1936, American, moved to Zurich in 1964, completed the CGJI in 1970. Besides private practice, I served on several committees at the CGJI, became a TA/SA and seminar leader. In 2000 I moved to Cape Town, S. Africa, where I trained and supervised HIV counselors in the city and townships. I am a member of SAAJA (South African Jungians), and was active in their training program. I returned to Zürich in March 2008 and am co-president with Murray Stein of ISAP.

Ilsbe von Uslar Ryffel

Ich habe an der Uni Zürich Psychologie studiert mit Germanistik im Nebenfach (1995).
Thesis über die Zeit. Ich bin Ausbildungsanalytikerin. Seit über 20 Jahren in der psychotherapeutischen Praxis, vorwiegend mit Erwachsenen, aber auch mit Kindern und Jugendlichen. Ich habe 13 Jahre als Schulpsychologin gearbeitet.
In der Praxis wende ich neben den "klassischen " Methoden wie Traumdeutung etc. auch häufig Imaginations- und Entspannungstechniken, Sandspiel und andere Formen der Gestaltung an. Ich bin verheiratet und habe vier Kinder.

Yungblut, Penelope

Penelope Yungblut trained at the C. G. Jung Institute, Zurich and is a member of AGAP, IAAP, IRSJA, and ISAP. She has a private practice in Round Hill, VA and in Washington, DC. In addition to offering analysis and spiritual guidance to individuals, Penelope offers a variety of lectures, seminars, workshops and retreats to Jungian groups and others, both in the USA and abroad. She is particularly interested in myth and archetypal stories which speak to women's experience across cultures and in updating traditional spiritual practice with the processes and insights offered by active imagination and depth psychology.
